Rules and Requirements

The Workers' Safety and Compensation Commission (WSCC) administers the annual high school/youth organization video contest on behalf of the Canadian Centre for Occupational Health and Safety (CCOHS). The WSCC organizes and manages the territorial competition in the Northwest Territories and Nunavut. The winners of the territorial competition advance to the CCOHS-organized Canadian National Finals.

Who is eligible?

This contest is open to all Northwest Territories and Nunavut high schools/youth organizations with students in Grades 9-12. Each team must have a sponsor teacher from their high school or organization to supervise the team.

What should my video be about?

The theme this year is #FocusOnSafety, so the video must have a safety focus. Beyond that, it's up to you! It could be a drama, an animation, a stop-motion video, or even a music video – get creative with it.

When coming up with your own video idea, ask yourself this question: **How can workers and employers help to create safer workplaces?**

The North is a large area with a lot of different industries. Whether you're in mining, retail, food service, hunting/trapping/fishing, construction, or you're self-employed, it's your job to help create and maintain a Northern safety culture. Show us how you make safety your job!

Each winning secondary school/youth organization will receive a matching prize equal to the total prize of the student or team of students.

The *Fan Favourite* Video Prize
This is part of the National contest only. National contest organizers post the videos on a designated YouTube video contest channel from **Thursday April 26th to Thursday, May 3rd, 2018 at 11:59 PM** for Canadians to view and vote for their favourite. The winning *Fan Favourite* video will receive **$1000.**

There are no matching prizes for educational institutions/youth organizations in the *Fan Favourite* award.

In the case of a team effort, the National Contest Coordinator may issue pro-rated cheque(s) to each team member.

In the case of a team entry where students are from more than one school/organization, at the outset the team must determine which school will sponsor the team for the purposes of this contest. That school will be eligible for the corresponding contest prize should the team's video win first prize in their jurisdiction or a National prize as specified in the contest rules.

If an individual, or one or more team members, decline the prize, the prize may be forfeited and awarded to another entry in accordance with these contest rules. Only the winning entries will be notified.

The chances of winning a prize depend on the total number and quality of eligible entries received prior to the closing date.

If the contest does not receive entries of sufficient quantity or quality, the contest organizers reserve the right not to award any prizes.
