

**Media Release**  
**Workers' Safety and Compensation Commission**  
**Releases WSCC OHS App**

**Yellowknife, NT (September 20, 2017)** –The Workers' Safety and Compensation Commission (WSCC), in conjunction with Canadian Centre for Occupational Health and Safety (CCOHS), celebrates the release of a new Occupational Health and Safety app.

Titled *WSCC OHS App – Guide to OHS Legislation*, it is organized by topic and aims to make employers' and workers' legislated responsibilities under the Northwest Territories and Nunavut *Safety Act* and *OHS Regulations* easier to understand.

Each topic provides clear summaries, links to resources, and quotes the relevant legislation section.

The *WSCC OHS App* is free to download and available in English and French; once on your device, you can access the information anywhere, regardless of Internet connection.

Download the app today through the [App Store](#) or on [Google Play](#).

WSCC is an arm's length government agency responsible for administering the *Workers' Compensation Acts*, *Safety Acts*, *Explosives Use Acts*, the *Mine Health and Safety Acts*, and associated *Regulations*.

Together, with our partners, the WSCC provides services to almost 40,000 workers and 4,000 employers across the Northwest Territories and Nunavut. We process over 3,000 claims and conduct over 1,000 inspections annually to ensure the safety of Northern workplaces. The WSCC is unique in Canada as it is the only workers' compensation organization in the country to insure workers across more than one province or territory. We proudly offer services in the official languages of both territories.
